

The Pink Pamper is Pittsburgh's preeminent cancer-related non-profit with over 13 years of experience raising money in support of our mission which is to improve the lives and well-being of women impacted by the devastating and life-altering effects of a cancer diagnosis.

A portion of the proceeds raised each year are distributed in the form of a \$350 voucher to women who reside in the greater Pittsburgh area to help offset some of the costs of purchasing a wig.

The vouchers can be redeemed at Hair Enhancements of Pittsburgh.
